

TOWN OF SAUGUS SOLID WASTE/RECYCLING PROGRAM

The Town of Saugus is contracted with JRM Hauling & Recycling to pick-up the following:

Five (5) items per one-family building
Seven (7) items per two-family building
Ten (10) items per three-family building

Residential customers shall place regular weekly refuse in durable watertight containers or plastic bags of sufficient strength to prevent failing. Each container or bag shall not exceed thirty-five (35) gallon capacity or sixty (60) pounds in weight. Trash/recycling must be curbside by 7:00 a.m. the morning of collection.

Each unit is entitled to **one (1) Bulky Waste item**, bag or barrel with the proper **\$2.00 (two) green sticker** affixed and visible. Each unit is entitled to **one (1) White Good item** with the proper **\$20.00 (twenty) red sticker** affixed and called into JRM at 1-800-323-4285 the evening before your pick-up.

Any container that has any yard waste or construction material mixed in with the weekly trash will not be collected.

No person shall place any material, at the curbside or in municipal collected containers, which is listed as a restricted material in the Massachusetts Solid Waste Control (310 CMR 19.017).

Restricted Material Includes:

Recyclables

Leaves & Yard Waste (other than specified curbside leaf pick-up weeks)

Batteries & Whole Tires

White Goods (Red Sticker Program)

Cathode Ray Tubes (TV's, computer monitors and scientific instruments)

The Town of Saugus at this time does not have a mandatory recycling program, however the Town will no longer pick-up any visible recyclables with refuse. The Town offers bi-weekly recycling which is unlimited and does not cost the Town any additional fees for proper disposal.

The Town offers two annual Household Hazardous Waste Day Events that residents should take advantage of MAY 13, 2006 and OCTOBER 14, 2006.

The Town offers 4 weeks of curbside leaf collection and in addition residents have the option of purchasing a sticker to access the Town Compost Site from May – November. The next curbside leaf pick-up will be in the fall.
